Nature of Release: 19-month-old female toddler dies at York Hospital after being mauled by dog

Date/Time of Death: Pronounced Sunday night, 11/4/2018, at 11:03 p.m.

Incident Location: (where coroner responded) 1001 S. George Street - York Hospital

Decedent to be released pending additional family notification

Address: to be released pending additional family notification, Windsor Twp.

York County Coroner **Pamela L. Gay**, has released the following information: **Cause of Death: Pending Autopsy Manner of Death: Pending Autopsy**

- *The York County Coroner was dispatched to York Hospital last night just after 11:10 p.m. for a report of a 19-month-old female toddler who had died after being mauled by a dog
- *The toddler had been in her family home in Windsor Twp. when she was reportedly attacked by a family dog at approx. 10:15 p.m. Sunday night 11/4/2018
- *YARPD and emergency responders first responded to the residence in Windsor Twp, and then the toddler was transported to York Hospital for emergency treatment
- *Despite emergency medical intervention, the female toddler was pronounced dead at 11:03 p.m. Sunday night
- *Deputy Coroners Michelle Rau and Matthew Groft responded to the scene and certified the death
- *York Area Regional Police is the investigating police agency
- *An autopsy will be scheduled to help determine cause and manner of death
